--Candidate for Township Committee Hosts Nearly 100 Women at Reception--

October 29, 2009— Mary Marley-Reidy, candidate for Morris Township Committee and Partner in a woman-owned audit and consulting firm, headlined a Ladies Night Out reception last night that drew almost 100 Township women. The event was held at the Morristown Unitarian Fellowship in Morris Township, NJ.

Marley-Reidy, Partner in the woman-owned audit and consulting firm, Karen I. Martino Group LLC, is the only female candidate running in the November 3 election for a seat on the all-male Township Committee. At the networking event, Marley-Reidy spoke about her career in finance and took questions from attendees about issues confronting the Morris Township community. Colleen Mahr, Mayor of Fanwood, NJ, also spoke at the event, about the issues and challenges facing women running for office.

In addition to her current position as Partner of the Karen I. Martino Group LLC, Marley-Reidy has been the Vice President/Controller of First Savings Bank and the Vice President of its Lending Servicing Division. She has extensive expertise in the preparation of monthly financial, cost and regulatory reports; as well as the development of operational procedures for lending and accounting. She has lived in Morris Township for 10 years with her husband. They have two children in the public schools, where Marley-Reidy is an active volunteer, serving as room mother and Daisy Scout volunteer.
